

Test Specification

Epic No: G1-3

Epic Name: **Shopping Cart**

Author: Ieva Morkunaite, María José Domínguez

Version	Date	Author	Change Description
1.0.0	10/02/2024	Ieva Morkunaite, María José Domínguez	
1.0.1	13/02/2024	Ieva Morkunaite, María José Domínguez	Corrections

PURPOSE

The purpose of the document is to prescribe the scope, approach, resources, and schedule of the testing activities. To identify the items being tested, the features to be tested, the testing tasks to be performed, the personnel responsible for each task, and the risks associated with this plan.

Introduction

How feature currently work: feature is not yet implemented.

How feature is supposed to work: The shopping cart is supposed to save the products that the user wants to buy later

Scenarios to be tested

- 1- Verify that user can go to the Cart page by clicking on the Cart icon
- 2- Verify that the products added to the cart are displayed in the Cart page
- 3- Verify that the products' quantity and price are displayed in the Cart page
- 4- Verify that the products can be removed from cart by clicking the Remove button
- 5- Verify that the user is returned to the home page by clicking the Continue Shopping button

Items not tested.

- 1- Mobile Testing
- 2- Performance Testing

Approach

The approach will be Functional Testing following the designed test cases. The test is going to be performed on Windows 10, on Google Chrome and Firefox. The testing is going to be done on TEST environment on the +.

Testing needs

- TEST environment: <https://www.saucedemo.com/>
- TEST data:
For valid username and password the data that are going to be used is
Username: standard_user
Password: secret_sauce

Risks and contingencies

There aren't any risks and contingencies.

Estimates

	Estimates(d)
Analysis	1
Meetings/Demo	2
Test scripting	0.09375
Automation	0.167
Execution	0.03125
E2E	0

Test Automation identification

- 1- Verify that user can go to the Cart page by clicking on the Cart icon
- 2- Verify that the products can be removed from cart by clicking the Remove button
